## Product Change Notification

Type of Notification: Addition of Alternative Parts

This is to advise you that the following products have been changed.

### 1. Product Being Changed (All part numbers that start with followings)

LFA100F-□

### 2. Description of Change

Following components are added as alternative to improve availability of components purchasing (See Table 2.1, 2.2).

The appearance becomes different, but this change does not affect electronic or mechanical specifications, nor does it affect safety standards compliance.

Table 2.1 Description of Changes
